

Vendor Management Software Serving Hundreds of Federal, State and Local Transportation Organizations

B2Gnow provides powerful cloud-based software to more DOT's, transit authorities and airports than any other software provider and guarantees compliance with both 49 CFR Part 23 (ACDBE) and Part 26 (DBE) regulations.

Prevailing Wage Labor Compliance

- Simplifies payroll tracking and wage updates for compliance with the Davis-Bacon Act, state prevailing wage laws, and local ordinances
- Provides real-time monitoring to maintain regulatory alignment
- Enhances audit readiness while improving operational efficiency

Vendor Management

- End-to-end management of supplier diversity (DBE, MBE, WBE, SBE) and spend tracking programs
- Detailed spend analysis of all procurement and vendor spend
- Manage and automate vendor certification processes

Leader in the Transportation Sector

- Trusted by 30+ State DOTs, 90+ Airports and Transit Authorities
- Utilized by the Federal Aviation Administration and Federal Highway Administration
- Staff deeply experienced in all transportation sectors

Grant Management

- Streamline grant and fund management for state transportation agencies and other state agencies
- Aviation - Optimize state aviation data collection and analysis
- Rail - Standardize and streamline highway-rail crossing data management

B2Gnow DIFFERENCE

Driving Measurable Results for Small and Diverse Vendor Programs

Learn how the **Chicago Transit Authority (CTA)** uses B2Gnow to streamline vendor management, track DBE/SBE goals, and showcase results.

- **Favorite Feature:** Simplifies data collection for managing multiple contracts and provides a smooth vendor experience
- **Proven Results:** Millions in local DBE/SBE spending tracked, clear outcomes reported, and measurable evidence of CTA's program success
