

Vendor Management and Labor Compliance Software to Simplify Section 3 Compliance and Reporting

Streamline compliance with 24 CFR 75 by automating Section 3 program management and HUD reporting. Track Section 3 business concerns and economic opportunities while maintaining transparency throughout the hiring process.

Section 3 Hiring

- Track and maintain hiring plans
- Streamline online job postings and application submissions
- Real-time status updates for staff, applicants and vendors

Section 3 Business Concern Contracting

- Easily track and monitor contract award and utilization
- Set contracting goals and/or commitments
- Track real-time participation; Generate required HUD reports including HUD4710, HUD2516 and HUD60002

Section 3 Business Certification & Registration

- Certify/register vendors to provide a searchable directory to the community
- Benefit from: electronic application submittal, automated renewals, and custom certificate and letter configuration

Prevailing Wage Labor Compliance

- Simplifies payroll tracking, wage updates and real-time monitoring for Davis-Bacon and Section 3 compliance
- Tracks Section 3 labor hours and Targeted Section 3 labor hours worked
- Enhances audit readiness while improving operational efficiency

B2Gnow Solution

A Quick Overview

B2Gnow is a leading provider of vendor management, prevailing wage labor compliance and grant management solutions, trusted by over 400 public agencies, including transits, state departments of transportation, airports, and other entities within the transportation sector. Offering twenty-five modules, B2Gnow provides a cost-effective and flexible solution that emphasizes vendor self-responsibility in managing and reporting their data, substantially reducing administrative effort.

The B2Gnow solution offers connections to 200+ certified directories, with most providing real-time status and details. Users can easily search for certified vendors by certification types, work codes, location, and more, ensuring efficient vendor management and compliance. With a wealth of experience spanning over 25 years, B2Gnow continues to evolve to meet the diverse needs of its clients, empowering them to navigate complex vendor management and compliance landscapes effectively.

**Utilized by Housing Authorities of all sizes to achieve
HUD Section 3 Compliance, including:**
