

How B2Gnow Can Boost Your Success as a Small, Local or Diverse Vendor

B2Gnow's powerful cloud-based software can help small, local and diverse vendors streamline their processes and win more business.

Be Found By People That Matter

- › Your up-to-date vendor profile can be searched by B2Gnow accounts nation-wide
- › Your certifications serve as a key search parameter by thousands of searchers
- › Register with all applicable B2Gnow client accounts

Centralize Your Certification Process

- › Certify with private (e.g., WBENC) and public (e.g., City of Houston) certifiers
- › Streamline your certification application processes by entering it into B2Gnow
- › Use your application information across multiple certifying organizations

Increate Your Reporting Efficiencies

- › Payment audit confirmations can be entered for multiple projects from one B2Gnow portal
- › Workforce audit confirmations can be entered for multiple projects from one B2Gnow portal
- › Maintain a complete history of all audits you complete across multiple projects

Enhance Your Firm Profile

- › Increase your firm's visibility by adding business details to your B2Gnow profile
- › Add details such as NAICS/NIGP work codes, business hours, locations, contacts, etc.
- › Add vendor options such as payment methods, deliveries, return policies, etc.

B2Gnow offers top-notch support and guidance through its in-system Help Center

- ✓ One location for DIY help and learning
- ✓ System training videos
- ✓ Product manuals and user guides
- ✓ Helpful articles, such as tips and tricks
- ✓ FAQs

B2Gnow Solution

A Quick Overview

B2Gnow is a leader in vendor management, prevailing wage labor compliance, and grant management software. Our innovative solutions enhance accountability, simplify vendor certification, streamline project data collection, and deliver robust compliance and reporting tools—promoting opportunity and fairness in contracting. B2Gnow maintains North America's largest database of over 500,000 certified, disadvantaged business entities, helping vendors connect with opportunities while enabling the federal government, more than half of state governments, hundreds of counties, cities, airports, general contractors, and Fortune 500 companies to manage participation and compliance programs through technology solutions for over 25 years.

Utilized by over 400 organizations, nationwide, including:

- State of California
- State of Delaware
