

CAPABILITIES STATEMENT

COMPANY OVERVIEW

Hasta Advisors, LLC is a federally and NY State certified Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering strategic advisory, construction management, compliance, and facilitative project delivery services. With more than \$2.1 billion in projects delivered, our team has deep expertise in federal capital program management, resiliency planning, energy performance, decarbonization strategies, and digital compliance integration. We partner with State and City Agencies and Prime Contractors to enhance procurement efficiency, ensure compliance, and deliver mission-critical outcomes.

CORE COMPETENCIES

- **Compliance Management** – Expertise in Davis-Bacon, prevailing wage, and workforce utilization compliance with automation tools like eComply and B2Gnow.
- **Digital Integration** – Streamlined implementation of cloud-based compliance platforms, including payroll integrations, workforce tracking, and certified reporting dashboards.
- **Vendor & Supplier Diversity** – Alignment with federal, state, and municipal supplier diversity goals using B2G FairSource and Baseline Vendor Management to source, engage, and track M/W/DBE firms.
- **Program Oversight & Reporting** – Development of utilization plans, real-time dashboards, Power BI analytics, and Federal Uniform Reports to maintain audit readiness.
- **Change Management & Training** – Comprehensive onboarding, contractor/subcontractor training, and staff augmentation support through the B2Gnow Partner Network.
